Delta Heat products are engineered, designed and manufactured by the industry leading premium grill and outdoor kitchen equipment experts – Twin Eagles, Inc. Creative design, innovative engineering, precision manufacturing, and impeccable quality control – all under one roof! Twin Eagles develops, designs, prototyping to testing to final production, gas grills and outdoor kitchen accessories at their state-of-the-art company owned facility in Cerritos, California. The Twin Eagles family consists of passionate, highly trained designers, engineers and skilled craftsmen.
Delta Heat’s founder, owner and operator is award-winning Gas Engineer, Dante Cantat.

For more than 30 years, Dante has been instrumental in the development and evolution of commercial and residential cooking equipment.

Dante’s expert knowledge of residential appliances and high-performance, commercial cooking equipment set the stage for his transition to grills and outdoor kitchen equipment in the 1990’s.

Delta Heat is a true culmination of past experiences, refined and perfected to ensure exceptional design, construction and performance.

WHO IS DELTA HEAT?
We understand that the right features, exceptional performance and longevity are important to you. Rest assured that these attributes are at the forefront of all Delta Heat products.

We also understand the importance of style. Our engineers and master craftsmen have built unmistakable appeal into each and every Delta Heat product.

After all, your home is a reflection of your personal style. Your grill or outdoor kitchen should not be an exception.
The grill is the cornerstone of any outdoor kitchen but it is the complementary products that bring it to life.

At Delta Heat we have thought through your cooking, storage and entertaining needs. Our offering is complete, giving you the products you need to create a space that is unique to you – A space that suits you and your family’s personal cooking and entertaining style.

We invite you to explore the complete Delta Heat offering and create your outdoor kitchen.
**GRILL FEATURES**

**LED Control Panel Lights**
Decorative blue lights illuminate the control knobs turning your grill into the main attraction, even when not in use.

**Mirror Polished Accents**
The exquisite hi-polished accents add luxurious refinements to your grill and accessories.

**Easy-to-open Hood Assist System**
Reduces the weight load of the hood with hidden heavy duty full extension springs.

**Interior Halogen Light(s)**
Halogen light(s) illuminate the cooking surface. Advantageous for the evening barbecue, eliminating the need for external lights that may disrupt the ambiance of your gathering.

**Temperature Gauge**
Stylishly integrated and perfectly positioned to indicate the temperature of convected heat during closed lid cooking.

**18 Gauge Stainless Steel U-Burners**

**Direct Heat & Ceramic Radiant Grilling System**

**Stainless Steel Cooking Grates**

**9V Electronic Ignition**

**Infrared Rotisserie Burner** (Rotisserie models only)

**Temperature Gauge**
Stylishly integrated and perfectly positioned to indicate the temperature of convected heat during closed lid cooking.

**Sear Zone**
(Sear Zone models only)

**Additional Grill Features**
- 304 Stainless Steel
- Welded Construction
- Double Lined Hood
- Warming / Cooking Rack
BUILT-IN PREMIER GRILLS

**38” OUTDOOR GAS GRILL WITH IR ROTISSERIE**
- Three 18 gauge stainless steel U-burners on R model
- One IR Sear Burner & Two 18 gauge stainless steel U-burners on RS model
- Integrated infrared rotisserie burner
- Two position rotisserie with heavy duty stainless steel motor (40 lb. capacity)
- 625 sq. in. grilling space
- 288 sq. in. warming rack
- Non-rotisserie model available (model: DHBQ38G-D)

**38” OUTDOOR GAS GRILL WITH IR ROTISSERIE**
- Three 18 gauge stainless steel U-burners on R model
- One IR Sear Burner & Two 18 gauge stainless steel U-burners on RS model
- Integrated infrared rotisserie burner
- Two position rotisserie with heavy duty stainless steel motor (40 lb. capacity)
- 625 sq. in. grilling space
- 288 sq. in. warming rack
- Non-rotisserie model available (model: DHBQ38G-D)

**32” OUTDOOR GAS GRILL WITH IR ROTISSERIE**
- Three 18 gauge stainless steel U-burners on R model
- One IR Sear Burner & Two 18 gauge stainless steel U-burners on RS model
- Two position rotisserie with heavy duty stainless steel motor (40 lb. capacity)
- 525 sq. in. grilling space
- 239 sq. in. warming rack
- Optional sear zone kit (Model DHSZ-KIT-B)

**32” OUTDOOR GAS GRILL**
- Two 18 gauge stainless steel U-burners
- 420 sq. in. grilling space
- 189 sq. in. warming rack
- Optional sear zone kit (Model DHSZ-KIT-B)

---

**Sear Zone**
Intense direct heat will sear your meats faster and deeper to seal in more juices. More juices means more, more flavorful food. All 26” and 38” grills are available with or without a Sear Zone. A kit (sold separately) is available for the 26” grill (Kit Model: DHSZ-KIT-B).

**Rotisserie**
38” and 32” grills are available with or without an integrated rotisserie with infrared IR back burner. A rotisserie kit (sold separately) is available for all non-rotisserie grills (Kit Model: DHRS-KIT-D fits 32” and 26” grills. Kit model: DHRS38-KIT-D fits the 38” grill).

---

The United States is the birthplace of the backyard barbecue and modern outdoor living. It is also the home of our corporate headquarters, manufacturing facility and family of employees who share a unique passion for grills and outdoor kitchens. History, heritage and passion - built into every product.

OUTDOOR ACCESSORIES

- Drop-in model
- 304 stainless steel construction
- 16,000 BTU sealed burner
- Electronic ignition
- Stainless steel top cover

- Full extension heavy duty drawer slides
- 304 stainless steel construction
- One-piece 18 gauge frame
- Adjustable brackets to fit a standard size trash container or LP tank
  (Trash container and LP tank not included)

- Full pull out drawer for easy access
- LED control panel lights
- 304 stainless steel construction
- Two 16,000 BTU sealed burners
- Push electronic ignition
- Stainless steel top cover

- Removable sliding cutting board
- Angled side wall directs waste toward container below
- Stainless steel cover included
  (Trash drawer sold separately)

- 304 stainless steel construction
- One-piece 18 gauge frame
- Swing down paper towel compartment
- Holds a standard size paper towel roll

- Stainless steel construction
- One-piece 18 gauge frame
- Holds larger capacity trash container
  (container included)

- Trash chute (sold separately)
OUTDOOR ACCESSORIES

**30” COOLER DRAWERS**
- Full extension heavy duty drawer slides
- Seamless welded 304 stainless steel construction
- Insulated lid with gasket seal
- 2” depth for increased capacity
- Brass drain with plug
- Heavy duty hinges
- Removable lid

**15” DROP-IN COOLERS**
- Seamless welded 304 stainless steel construction
- Insulated lid with gasket seal
- 13.5” H x 25” W x 14” D
- (Caster not included)

**15” DROP-IN SINK**
- Seamless welded 304 stainless steel construction
- Large basin accommodates oversized items
- 2-inch stainless steel basket drain
- Includes cold faucet

**20” OUTDOOR REFRIGERATOR**
- Stainless steel exterior
- Reversible door (left or right hinged)
- Locking door
- UL approved for outdoor use
- Front venting for under counter installation
- 4.1 cubic feet of storage space
- Three adjustable wire shelves
- Drink can holder plus 3 shelves in the door
- Adjustable leveling legs
- 110 volts / 115 watts

**VBCS**
- Vinyl covers
- Available for all built-in and freestanding grill models
- Features durable vinyl to protect the stainless steel finish

Note: Unit is sourced from a leading refrigeration company outside the USA.
**ACCESS DOORS & STORAGE DRAWERS**

**DHAD22R-C** - Single Access Door
- Horizontal orientation (22" x 16 1/4")
- 304 stainless steel construction
- One-piece 18 gauge frame
- Adjustable European hinges
- Available left or right hinged (must specify)

**DHAD18L-C** - Single Access Door
- 304 stainless steel construction
- One-piece 18 gauge frame
- Adjustable European hinges
- Available left or right hinged (must specify)

**DHAD32-C** - Single Access Door
- 304 stainless steel construction
- One-piece 18 gauge frame
- Adjustable European hinges
- Available left or right hinged (must specify)

**DHDD302-B** - 15" Double Storage Drawers
- 304 stainless steel construction
- One-piece 18 gauge frame
- Full extension heavy duty drawer slides
- Two (2) extended depth drawers

**DHDD303-B** - 15" Triple Storage Drawers
- 304 stainless steel construction
- One-piece 18 gauge frame
- Full extension heavy duty drawer slides
- Three (3) extended depth drawers

**DHAD16(L/R)-C** - Single Access Door
- 304 stainless steel construction
- One-piece 18 gauge frame
- Adjustable European hinges
- Available left or right hinged (must specify)

**DHAD18(L/R)-C** - Single Access Door
- 304 stainless steel construction
- One-piece 18 gauge frame
- Adjustable European hinges
- Available left or right hinged (must specify)

**DHAD24(L/R)-C** - Single Access Door
- 304 stainless steel construction
- One-piece 18 gauge frame
- Adjustable European hinges
- Available left or right hinged (must specify)

**DHAD26-C** - Double Access Doors
- 304 stainless steel construction
- One-piece 18 gauge frame
- Adjustable European hinges
- Available left or right hinged (must specify)

**DHAD30-C** - Double Access Doors
- 304 stainless steel construction
- One-piece 18 gauge frame
- Adjustable European hinges
- Available left or right hinged (must specify)

**DHAD32-C** - Double Access Doors
- 304 stainless steel construction
- One-piece 18 gauge frame
- Adjustable European hinges
- Available left or right hinged (must specify)

**DHAD36-C** - Double Access Doors
- 304 stainless steel construction
- One-piece 18 gauge frame
- Adjustable European hinges
- Available left or right hinged (must specify)

**DHDD362-B** - 36" Wide Door & Two (2) Drawer Combo
- 304 stainless steel construction
- One-piece 18 gauge frame
- Full extension heavy duty drawer slides
- Two (2) extended depth drawers

**DHDD363-B** - 36" Wide Door & Three (3) Drawer Combo
- 304 stainless steel construction
- One-piece 18 gauge frame
- Full extension heavy duty drawer slides
- Three (3) extended depth drawers

Four models available:

**DHDD302-B** - 30" Wide Door & Two (2) Drawer Combo
- 304 stainless steel construction
- One-piece 18 gauge frame
- Full extension heavy duty drawer slides
- Two (2) extended depth drawers

**DHDD303-B** - 30" Wide Door & Three (3) Drawer Combo
- 304 stainless steel construction
- One-piece 18 gauge frame
- Full extension heavy duty drawer slides
- Three (3) extended depth drawers

**DHDD362-B** - 36" Wide Door & Two (2) Drawer Combo
- 304 stainless steel construction
- One-piece 18 gauge frame
- Full extension heavy duty drawer slides
- Two (2) extended depth drawers

**DHDD363-B** - 36" Wide Door & Three (3) Drawer Combo
- 304 stainless steel construction
